Scriptures for Today:

[from the New Living Translation]

From Hebrews 8

⁷ If the first covenant had been faultless, there would have been no need for a second covenant to replace it.

¹³ When God speaks of a “new” covenant, it means he has made the first one obsolete. It is now out of date and will soon disappear.

From Luke 5

³⁷ “And no one puts new wine into old wineskins. For the new wine would burst the wineskins, spilling the wine and ruining the skins. ³⁸ New wine must be stored in new wineskins. ³⁹ But no one who drinks the old wine seems to want the new wine. ‘The old is just fine,’ they say.”

From John 13

³⁴ So now I am giving you a new commandment: Love each other. Just as I have loved you, you should love each other.

Where's My Ripple?

[a place for your notes]

1. What are some differences between the Old Covenant and the New Covenant?

2. From the teachings from the letter to the Hebrews, it becomes clear that the author believes the Old Covenant is obsolete. How do you feel about that?

3. How can you best serve the person next to you?
